ADDENDUM TO PETITION FOR EXCEPTION TO STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

If your health prevented you from satisfying the criteria for maintaining your financial aid and/or scholarship, and you met with a medical or mental health professional, please have this form completed. Return it to our office with your petition. If you did not meet with a medical or mental health professional, please disregard this form.

I hereby authorize my medical, or mental health professional to complete this form as part of my petition process for financial aid and/or scholarships.

This certifies that the above student has been under my professional care for:

_________________________

In my clinical opinion, the above student is cleared to return to school on
_________________________

I did not see a health care professional, however, I certify I am able to return to school on
_________________________

I also understand that I may not be granted another exception for this medical condition.
