Our records indicate that you are currently enrolled in fewer than full time hours (12 credit hours Undergraduate Level, 9 hours Graduate Level) for the current or upcoming semester. To avoid a possible delay in receiving your aid, please indicate how many credit hours you will take during the upcoming terms.

If you will be taking fewer than full time hours, we will determine your new loan eligibility and make adjustments to your award if necessary. If you will ultimately be taking at least full time credit hours, please indicate that below. UNM will be unable to release your loan funds until you are registered for at least full time credit hours or until after we have determined your eligibility at your current enrollment levels.

NOTE: If you enroll for fewer hours, any applicable grants will be adjusted accordingly.

Please list the number of credit hours you plan to take and the semester/year:

I will be taking _____ Credit hours for the FALL 20 semester

I will be taking _____ Credit hours for the SPRING 20 semester

I will be taking _____ Credit hours for the SUMMER 20 semester

NOTE: After a student passes a course, they may only be considered for funding for that same course for one more attempt. If a student retakes the twice-repeated course, a recalculation of aid is done to exclude the credits for the repeated course. This rule applies whether or not the student received aid for earlier enrollments in the course. Scholarships policies and Satisfactory Academic Progress policies still apply, a student must abide by all policies to be eligible for aid.
